Gregorian Saturday/Sunday or Yahuwah's Sabbath: Which should we honor?

Recent research has revealed the startling fact that Saturday is not the seventh-day Sabbath of the Bible, and Sunday is not the day on which the Saviour was resurrected.

The Calendar Problem

THE VAST MAJORITY OF CHRISTENDOM worships on Sunday, in honor of the Saviour's resurrection. Jews, and a growing number of Protestants who believe the divine law is still binding, worship on Saturday in order to "Remember the Sabbath day to keep it holy." (Exodus 20:8)

The problem is that both Saturday and Sunday (as well as Friday, on which Muslims go to mosque for prayers), are calculated by the Catholic Gregorian calendar—a calendar that is itself adapted from the pagan Julian calendar. As such, Saturday and Sunday are counterfeit days of worship, imposed by Satan in order to usurp the worship that belongs to the Creator alone.

To find the actual day of the Saviour's resurrection, and the genuine seventh-day Sabbath, it is necessary to use the Biblical luni-solar calendar established by Yahuwah at Creation. On the Creator's calendar, the moon regulates both the month and the weekly cycle. The weekly cycle restarts each month with the new moon, unlike the papal calendar that has a continuous weekly cycle.

The result is that neither Saturday nor Sunday are legitimate days of worship that honor the Creator.

The Final Test

REVELATION 12 CONTAINS AN ALARMING VIEW of the future. John the Revelator was shown that the final test would be over worship. Using the imagery of a powerful beast with lamblike horns that spoke like a dragon, Yahuwah revealed that at the close of earth's history, everyone on earth will be embroiled in a war: a war between the forces of good and the forces of evil.

In trying to steal worship that belongs only to Yahuwah, the devil will impose laws that seek to compel the conscience. He will try to force people to worship on his false day(s) of worship.

John said: "Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon ... And he deceives those who dwell on the earth, ... telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name." (See Revelation 13:11-17)

The final test reveals the inner heart of everyone living at the end of time. It will demonstrate who is willing to obey Yahuwah and keep His law regardless of the cost, and it will also show whose hearts are willing to compromise truth for temporal ease, those who join Satan in rebelling against the divine law.

It is a false idea that the final test of humanity is between two days on the papal Gregorian calendar. That is a deception of the devil. Both days are equally inappropriate for worship, because both are calculated by a false calendar.

The Trumpets & the End of the World

EVENTS WILL SOON TAKE PLACE in the world that will cut off the past from the present. Revelation 8 and 9 reveals a series of worldwide events that will bring death, confusion, and utter chaos throughout the entire world. After a series of meteor strikes devastates life on earth (Revelation 8:7-11), the sun, moon, and stars will also be affected. (See Revelation 8:12-13.)

Following these unprecedented catastrophes, demons in the form of aliens will appear to launch an invasion of the earth, tormenting all who are not under Yahuwah's special protection.

At that time, the pope will be exalted to a position of preëminent power. The political power that the papacy has steadily been forced to give up since the Protestant Reformation, will be returned to him. In his new role as the representative of mankind, he will negotiate a peace treaty with the aliens/demons. He will then be in a position to enforce the exaltation of Sunday worldwide.

Decide today to follow Yahuwah!

NOW IS THE TIME TO PREPARE! Times are getting harder. An unprecedented economic crisis looms. There is an ongoing breakdown of social and moral values on every side. Violence and extremes of weather are making and breaking records with every month that goes by.

In this final period of relative peace, study the truths long forgotten. Study Yahuwah's calendar and learn how you can honor Him by worshipping on His holy Sabbath day, calculated by His luni-solar calendar, established at Creation.
