The Jews: Seed of the Serpent Dominating the World

He knew them.

He heard the derision in their voices. He sensed their growing hate.

He felt the presence of deliberate unbelief, of crafty hypocrisy. He recognized them.

He met their malevolence head on and said:

“Heaven and earth may pass away, but My words will not pass away. Behold, your house, your nation, your religion is left unto you desolate. Forsaken. Cursed.”

And Yahushua, the anointed Messiah, turned and walked away.

But then He paused, just a moment, and with tears in His eyes, shook the dust from His feet.

Faced with malice, scorn and hatred, Yahushua knew precisely what the Jews, fighting against Him, were. He knew their origins. He said, “Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.” (John 8:44, KJV)

Ye are of your father, the devil. No harsher words, aimed at any other group of people, are recorded in Scripture. Yahushua loved the Israelites! But it was precisely because He loved them, that He would not abandon them without adequately warning them of their origins and what was in their heart.

The truth is, the Israelites were the worst of the worst. It was for this reason the Saviour was sent to them! Had the Messiah been sent to others, they would have gladly received Him. Over and over again, the Bible records how the Saviour was accepted and welcomed by the Samaritans, the Syro-Phoenicians, the Greeks and even the Romans. After revealing His divine mission to the Israelites, Scripture records the sad statement: “After these things Yahushua walked in Galilee; for He would not want to walk in Jewry, because the Jews sought to kill Him.” (John 7:1, KJV)

The very ones chosen to receive the Messiah, were the very ones who rejected Him and sought to kill Him.

As far back as Abraham, Satan knew through which lineage the Redeemer would come. Yahuwah promised the childless Abram: “In thee shall all families of the earth be blessed.” (Genesis 12:3, KJV) This was a clear reference to the coming of the Promised One. Thus, Satan focused his vast intelligence and mightiest efforts to corrupting the lineage of Abraham even more than it already was as a result of the fall.

**DISCLAIMER:** There is no one race that can claim a higher level of righteousness than any other, by virtue of its lineage. “For all have sinned and come short of the glory of Yah.” (Romans 3:23) Nor is any one race totally evil. The Jews are no exception. There are good people in every race and every religion; and there are bad people in every race and every religion. This article focuses on crypto-Jews: Jews that are united in a covert agenda to dominate the world. Some of these crypto-Jews are the descendants of Abraham and are Hebrews by blood. Others are not, although they call themselves Jews and are the first to play the race card, complaining of “anti-Semitism” to silence those who oppose their secret agenda for global control.

Who are the Jews? Why are they so bad?

Who are the Jews? What makes them the “worst of the worst”?

Today’s Jews are:

1. Pharisees
2. Khazars
3. Seed of the Serpent
Pharisees

When Yahushua was on earth, no other class opposed the Saviour as did the Pharisees, and no other class was as soundly denounced by Him for their man-made traditions, vain hypocrisy, and the hidden intents of their evil minds. The Pharisees covered themselves with the pleasing appearance of spiritual devotion, to the extent that even the disciples were deceived. The Saviour, however, clearly discerned the depths of depravity hiding under the pleasant exterior. He boldly declared: “Woe unto you, scribes and Pharisees, hypocrites! for ye are as graves which appear not, and the men that walk over them are not aware of them.” (Luke 11:44, KJV)

The Jews of today are the spiritual descendants of the Pharisees. This is no secret. The Jews themselves admit it:

With the destruction of the Temple (70 A.D.) the Sadducees disappeared altogether, leaving the regulation of all Jewish affairs in the hands of the Pharisees. Henceforth, Jewish life was regulated by the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of tradition supplanted the older priestly tradition (Abot 1:1). Pharisaism shaped the character of Judaism and the life and thought of the Jew for all the future.¹

A man’s religious beliefs shape his attitudes, opinions and actions. The Jews of today are inspired by the same spirit that actuated their ancestors: the spirit of Pharisaism.

Khazars

Many of today’s “Jews” are not, in actuality, descendants of Abraham. Rather, they are Khazar, “a Turkic people who originated in Central Asia.”² They are of a completely different lineage, yet are frequently the first to cry “racism” whenever their goals or agendas are met with opposition. The “anti-Semitism” complaint has been used repeatedly by these Jews who are, themselves, not descended from Abraham, but nevertheless claim to be Jews.

In 1976, Harold Rosenthal, a Jewish administrative assistant to US Senator, Jacob Javits, gave an interview to Walter White, Jr., in which he was asked about the Khazarian ancestry of many of those who claim to be “Jewish.”

White said, “According to the latest scholarly research, your ancestors are not Israelites but Mongolians and Asians from Eastern Europe and Western Asia, so your ancestors were thousands of miles from the Holy Land. They never, ever saw the Holy Land - proving that your people were not the chosen people of God.”

“So what?” Rosenthal demanded. “What difference does it make?”

White responded: “We have been taught the big lie for many years that Jews are God's Chosen people, so it does make a difference. A very grave difference.”

Rosenthal appeared deliberately obtuse, asking, “What grave difference?”

White knew his history and laid the facts out plainly: “Does it not prove that the great majority of Jews today are Khazar in origin. Your ancestors never trod the lands where Christ walked. They never knew Jerusalem and Palestine so how could…”

Rosenthal interrupted, shouting, “What the hell difference does it make now?”³

This is the attitude of the crypto-Jews. (Rosenthal was killed under suspicious circumstances within a month of giving his very revealing interview.)

Benjamin H. Freedman, an influential Jew who recognized the wrongs committed by the crypto-Jews and sought to warn others, stated:

Relentless research established as equally true that the so-called or self-styled “Jews” in eastern Europe at no time in their history could be correctly regarded as the direct lineal descendants of the legendary “lost ten tribes” of Bible lore. The so-called or self-styled “Jews” in eastern Europe in modern history cannot legitimately point to a single ancient ancestor who ever set even a foot on the soil of Palestine in the era of Bible history. Research also revealed that the so-called or self-styled “Jews” in eastern Europe were never “Semites”, are not “Semites” now, nor can they ever be regarded as “Semites” at any future time by any stretch of the imagination. Exhaustive research also irrevocably rejects as a fantastic fabrication the generally accepted belief by Christians that the so-called or self-styled “Jews” in eastern Europe are the legendary “Chosen People” so very vocally publicized by the Christian clergy form their pulpits.⁴

It is interesting to note that, as the truth of the Khazar origins of many of today’s Jews has become more widely known, there has been a growing attempt by the Jews to cover up the truth and deny the facts of history. However, Eran Elhaik, an Israeli molecular geneticist as well as Johns Hopkins University post-doctoral researcher, soundly refuted such attempts to change history.

In “The Missing Link of Jewish European Ancestry: Contrasting the Rhineland and the Khazar Hypotheses,” published in
The bigotry of Israeli Sephardic leader Rabbi Ovadia Yosef is typical of the arrogant, racist, hate-filled views the average Jew holds toward all non-Jews. During a discussion on the type of work non-Jews are allowed to perform on the Sabbath, Yosef claimed:

"Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel. Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat. With gentiles, it will be like any person: They need to die, but God will give them longevity. Why? Imagine that one’s donkey would die, they’d lose their money. This is his servant. That’s why he gets a long life, to work well for this Jew."

The sheer arrogance of these people who claim special rights as “God’s Chosen” is mindboggling. Many of them are perfectly aware that they can claim no physical descent from Abraham, but as long as their personal quest for power is achieved, they do not care.

**Seed Of The Serpent**

The Jews are the seed of the Serpent. Yahushua Himself called them: “Serpents! Brood of Vipers!” and asked, “How can you escape the condemnation of hell?” (See Matthew 23:33.) A “brood” of vipers. In other words, a family, a lineage, of dangerous, poisonous snakes. They are the “seed of the serpent” that did indeed bruise the heel of the Saviour. In doing this, they were cooperating with their father, Satan.

These facts should surprise no one. Yahushua could not have made the truth more clear. He flat out told them: “Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him.” (John 8:44, KJV) It is why Father Yahuwah sent His precious Son to be born of an Israelite mother: to reach and to save the lowest of the low.

This is the real reason for the Jewish contempt for all gentiles. Rosenthal stated: “You and we are so apart. You’re another breed. You’re not our kind. It’s not secret that we do not respect you, and of your kind.”

The interviewer asked: “Are you referring to just our kind as ‘Christians’?”

In reply, Rosenthal said, “No, you gentiles. All of you are our enemies.”

**Total World Dominion**

Jews today dominate the world. They directly control, or indirectly influence, the world’s finances, military, education, scientific research, governments, non-governmental organizations, the media and entertainment, to name but a few. They do this under three guises:

A) **Israel** (and their Mossad) imposes it’s will via the US military with which it has close ties;

B) **Jewish bankers** exercise totalitarian control via the US Federal Reserve and the Rothschilds’ banking dynasty.

C) **Zionists** control and influence religion and entertainment.

Individually and collectively, these are the crypto-Jews. In other words, Jews that are united in furthering their unholy agenda for total world domination. Some may be of Hebrew descent; many are not. But all are united in their pursuit of power and in their sense of self-conscious superiority.
The crypto-Jews are the masterminds behind a vast, global conspiracy to dominate and rule over all gentiles. In this goal, they have one secret advantage: the mind of the average person cannot grasp the magnitude of premeditated evil in which the crypto-Jews are actively involved. To give but a few examples, to further their agenda, the crypto-Jews fomented the Bolshevik Revolution as well as both World War I and World War II in which they willingly sacrificed their own people. This provided them with a perpetual get-out-of-jail-free-card under the slogan: “Never again.”

This may be shocking to those who have been indoctrinated to believe six million Jews lost their lives in the holocaust but as Rosenthal explained:

We have always been ready to sacrifice a few thousand Jews in exchange for world leadership. It is a small price and there is nothing wrong with that … You know we laugh about the six million story just like the story that Christ was a Jew and the God’s Chosen People story. This should show people that we have a solidarity like none other in the world. Jews have a closeness to other Jews whom they have never seen or perhaps even heard of.

By controlling finance and education, the crypto-Jews have been able to mold the thinking of millions. As Rosenthal boasted:

By controlling the banking system we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The printing industry, newspapers, periodicals and technical journals had already fallen into our hands.

The richest plum was later to come when we took over the publication of all school materials. Through these vehicles we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies.

But the crypto-Jews most effective means of influencing thinking and molding policy to further their agenda has been found in their vast influence over religion.

Infiltrating Christianity

Through religion we have gained complete control of society, government and economics. No law is ever passed except its merits have previously been taught from the pulpits.

An example of this is race equality which led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same.

Judaism is the parent stock from which has grown both Islam and Christianity. Some sources suggest that the Jews were behind the corruption and molding of Christianity into the Roman Catholic Church and, through the Catholic Church, the creation of Islam. Rabbi Abe Finkelstein, in an interview given to Pastor James Wickstrom, admitted: “We formed the Jesuits.” Crypto-Jews have certainly infiltrated every denomination within Christianity as well as Christian seminaries by offering an enticing apple: their supposed connection to and knowledge of the Hebraic roots of Christianity.

Religion, too, must be taught, and through this necessity we have labored. With our control of the textbook industry and the news media, we have been able to hold ourselves up as the authorities on religion.

Many of our rabbis now hold professorships in supposed
There is already something like a Jewish monopoly in high finance… What is most disquieting of all, this tendency to monopoly is spreading like a disease. (Hillaire Belloc, The Jews, p. 9.)

A handful of crypto-Jews thus controls millions simply by molding their theological belief system. Christians today look to the Jews for spiritual insights. They adopt Pharisaical practices and traditions to add “richness” to their religious observances. Some go so far as to wear yarmulkas all because the Jews do, and they have been indoctrinated with the belief that the Jews are “God’s chosen people.” Christian theology has been shaped by the crypto-Jews to further their own self-serving agenda!

The crypto-Jews lie and change the facts of history to suit their own agenda.

“We must expel Arabs and take their places.” (David Ben-Gurion, 1937.)

“We must do everything to insure they (the Palestinians) never do return… The old will die and the young will forget.” (David Ben-Gurion, assuring his fellow Zionists that Palestinians will never come back to their homes, July 18, 1948, quoted in Michael Bar Zahor’s Ben-Gurion: The Armed Prophet p.157.)

“How can we return the occupied territories? There is nobody to return them to.” (Golda Meir, March 8, 1969.)

“There was no such thing as Palestinians; they never existed.” (Golda Meir, June 15, 1969.)

Holy Bribery

The Jewish race has always been known for being quick to take advantage of others’ misfortunes and grow rich in the process. This was recognized by Australian Premiere, William M. Hughes. Expressing concern over the impact the Jews’ business practices were having on Australia, he said: “The Montefiores have taken Australia for their own, and there is not a gold field or a sheep run from Tasmania to New South Wales that does not pay them a heavy tribute. They are the real owners of the antipodean continent. What is the good of our being a wealthy nation, if the wealth is all in the hands of German Jews?”

Henry H. Beamish, widely blasted by Jews for being an “anti-semit,” observed:

The Boer War occurred 37 years ago…Many criticized a great power like Britain for trying to wipe out the Boers. Upon making inquiry, I found all the gold and diamond mines of South Africa were owned by Jews; that Rothschild controlled gold; Samuels controlled silver, Baum controlled other mining, and Moses controlled base metals. Anything these people touch they inevitably pollute.

Yahushua saw this spirit and warned: “No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve Yahuwah and mammon [wealth, riches].” (Matthew 6:24, KJV)

The crypto-Jews have very successfully promoted themselves as “God’s chosen people.” Their power, influence, and wealth has grown exponentially with this self-aggrandizing propaganda. They teach that in order to receive Yahuwah’s blessing, Christians must “bless” Israel. This claim is based on a promise made to Abram: “I will bless them that bless thee, and curse him that cursest thee: and in thee shall all families of the earth be blessed.” (Genesis 12:3, KJV)

This self-serving doctrine originated with the crypto-Jews who infiltrated Christian seminaries, producing Christian religious leaders who teach
this false doctrine to their followers. Multitudes of Christians now believe that it is their Christian duty to support Israel. Calls go forth to “Stand with Israel.” This support is shown in two ways: 1) political agreement; 2) money.

**POLITICAL AGREEMENT:** Christians are exhorted to “Stand with Israel and receive Yahuwah's blessing.” This belief has become so widespread, that there are **scores of Christians** who believe America's rise or fall in prosperity is directly linked to whether she supports or opposes Israeli foreign and domestic policies.

One website has an “Ask A Bible Teacher” feature. Someone wrote in and inquired: “Our nation [United States] has been blessed because we have supported the Jewish people and Israel all these years up to now. If we pressure them to give up more of their land for peace and no longer seem to support them, will God judge us for this action?”

The response was: “…There are those who’ve correlated the ‘natural’ disasters we’ve suffered in the last few years with times we’ve pressured Israel to give up land. *Their findings defy coincidence. The conclusion can only be that the judgment has already begun.*

**MONEY:** “God blesses those who bless Israel, so bless Israel and be blessed yourself,” is the theme. Entire Christian ministries are devoted to collecting monies to send to Israel.

Devout Christians give and give and give of their tithes and offerings to “bless” the Jews because they do not believe they will receive Yahuwah’s blessing unless they do so. This is the message of Christian leaders such as John Hagee.

Hagee founded Christians United For Israel (CUFI). CUFI is the largest pro-Israel organization in the United States with over 2.5 million members. Their goal is “to educate Christians on the Biblical and moral imperatives to support Israel and to build Christian support for Israel throughout America.” They also hold an annual summit in Washington, D.C., which “enables CUFI members to personally speak with their elected officials on behalf of Israel.”

At one such summit, Hagee clearly revealed the self-serving agenda behind the hidden crypto-Jewish, and Christian promotion of Israel:

> “I’ll bless those that bless you and I’ll curse those that curse you,” said Hagee, quoting from the book of Genesis. “That’s God’s foreign policy statement, and it has not changed.”

CUFI’s Executive Director is David Brog, himself a practicing Jew. Brog told a reporter for the *Washington Post* that many evangelicals “have a profound sense of guilt in the Christian Era, and how the Holocaust happened and Christians didn’t do anything about it.”

The arrogance of such a statement, made by a Jew, is mind-boggling when one combines the following facts:

1. It is documented, historical fact that worldwide Jewry declared war on Germany in 1933, years before there was a Second World War. (See end note six.)

2. At that time, Jewish newspaper, *Natscha Retsch*, published this statement:

> “The war against Germany will be waged by all Jewish communities, conferences, congresses... by every individual Jew. *Thereby the war against Germany will ideologically enliven and promote our interests, which require that Germany be wholly destroyed.*

> “The danger for us Jews lies in the whole German people, in Germany as a whole as well as individually. It must be rendered harmless for all time.... In this war we Jews have to participate, and this with all the strength and might we have at our disposal.”

3. The Jewish Rothschilds financed both sides of the war, reaping billions in blood money, profiting from the suffering of multitudes.

As early as 1934, crypto-Jew Emil Ludwig Cohn admitted: “Hitler will have no war (does not want war), but we will force it on him, not this year, but soon.” At the height of the war, Rabbi Felix Mendlesohn stated: “The Second World War is being fought for the defense of the fundamentals of Judaism.”

Hitler himself later said:

> It is untrue that I or anyone else in Germany wanted war in 1939. It was wanted and provoked solely by international statesmen either of Jewish origin or working for Jewish interests. Nor had I ever wished that after the appalling first World War, there would ever be a second against either England or America.

But the winners write the history books. And the crypto-Jews stand back and laugh at the gullibility of the *goyim* whom they despise as stupid.

“The Jews have always known throughout history that if Christians knew what was in the Talmud, it would make Christians very angry. And so the Jews were able to conceal a lot of their most blasphemous statements about the Lord Jesus Christ because people didn’t speak Hebrew.”

The only time—and I mean the only time—Gentiles can be allowed to behave altruistically is when they sacrifice themselves and their freedom for the greater good of the Jewish people or Israel. The less than finite war in Iraq (and future wars with Syria and Iran), demonstrates that this artificial form of Gentile altruism, once guided toward our own interests, can actually serve the Jewish people well. And, it also allows the altruistic type of goyim to feel somewhat true to their own in-group instincts, however misguided, adding a slight texture of realism to the fantasy world painted by our other loyal Jews on the entertainment front, Red Summerstone (also known as Murray Rothstein), Michael Eisner and Spielberg.22

Roots of Evil

As stated earlier, one of the biggest advantages the crypto-Jews have in advancing their agenda is that the mind of the average person cannot grasp the depths of evil to which they will resort without hesitation. But from where does such evil spring? What is its source?

No organized religion can last for long without indoctrination. This works for both good and evil. Christianity would not be Christianity without the Bible. Islam needs the Koran. Judaism has the Talmud. The crypto-Jews boldly commit the worst deeds, the most heinous crimes. They lie, break oaths, steal, start wars, they murder in the mad pursuit of world dominion…and it is all justified by their “sacred writings,” the Talmud.

Far from being a holy book, the Talmud is a cesspit of evil, straight from the bowels of hell. It is therefore shocking that a growing number of sincere Christians are turning with increasing frequency to the Jews for spiritual light, adopting Jewish traditions and practices as their own, as though somehow more pleasing to Yahuwah.

Some might protest, “I don’t follow the Talmud! I follow Torah!” But what they fail to realize is that the Jewish traditions and rites they are adopting into their own practice have been filtered through the Talmud! The Torah is what the Jews call the Books of Moses, the first five books of the Christian Bible. The Talmud comes from long oral tradition. In the time of Yahushua, it was referred to as the “traditions of the elders.”
Yahushua knew the Talmud! He was familiar with the traditions of the elders and He had no use for these man-made rules and regulations.

Then the scribes and Pharisees who were from Jerusalem came to Yahushua, saying, “Why do Your disciples transgress the tradition of the elders? For they do not wash their hands when they eat bread.”

He answered and said to them, “Why do you also transgress the commandment of Yahuwah because of your tradition? (Matthew 15:1-3, NKJV)

Those looking to Jewish customs to add “richness” to their spiritual practices, need to understand that it was these very same rites and traditions Yahushua denounced while on earth. Rabbi Louis Finklestein was widely known and respected for his knowledge. He was the head of the Jewish Theological Seminary of America. He was also a writer. In what became a world-famous classic on the Pharisees, he wrote:

Pharasaism became Talmudism ... [But] the spirit of the ancient Pharisee survives unaltered. When the Jew ... studies the Talmud, he is actually repeating the arguments used in the Palestinian academies. . . . The spirit of the [Pharisees'] doctrine has remained quick and vital. . . . From Palestine to Babylonia; from Babylonia to North Africa, Italy, Spain, France and Germany; from these to Poland, Russia, and Eastern Europe generally, ancient Pharasaism has wandered.23

Jewish tradition should have no place in the hearts, minds and practices of any Bible-believing Christian. Yahushua saw no spiritual light in the traditions of the Pharisees, exclaiming:

Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whited sepulchres, which indeed appear beautiful outward, but are within full of dead men’s bones, and of all uncleanness. Even so ye also outwardly appear righteous unto men, but within ye are full of hypocrisy and iniquity. (Matthew 23:27-28, KJV)

It is not Hebrew tradition being embraced: it is Pharisaic tradition gaining inroads and corrupting Christianity still further.

The Talmud derives its authority from the position held by the ancient academies (i.e. Pharisee). The teachers of those academies, both of Babylonia and of Palestine, were considered the rightful successors of the older Sanhedrin. . . . At the present time, the Jewish people have no living central authority comparable in status to the ancient Sanhedrins or the later academies. Therefore, any decision regarding the Jewish religion must be based on the Talmud as the final resume of the teaching of those authorities when they existed.24

Christian author, Texe Marrs, noted with incredulity: “There are Messianic Jews today that want to take the Talmud and make it Christian. How can you take a damnable book and make it Christian? All of these lies about Jesus are right there!”25

The Talmud: Self-portrait of Evil

It is a principle of psychology that by beholding, one becomes changed. The Jews are a reflection of what is in the Talmud; and the Talmud is a self-portrait of evil.

No obstacle discourages them; [the Jews] persevere throughout the world, throughout the centuries, the unity of their race. The Talmud has given them a powerful organization which modern progress has been unable to change. Deep, ineradicable hatred of everything that is not Jewish stimulates them in war which they wage against Christian Society, which is too divided to be able to fight with the necessary energy.26

To those who have never read the Talmud, it can appear confusing. It is not written in a clear format, like the books of Moses. Rather, a statement will be made. Then, the opinion of This rabbi or That will be quoted. Often, still Another rabbi’s opinion, varying slightly, will also be shared. It is, quite literally, the oral tradition of the elders in written form.

But, as the observant searcher for truth reads on, a horrifying reality begins to dawn on the stupefied mind. The Talmud is the studied attempt to break the divine law, while still being able to claim the rewards of obedience. An excellent example of this is found in the Talmudic teaching that if a Jew loses something, his property must be returned. However, if a non-Jew loses something, the Jew who found it may keep it:

A Jew may keep anything he finds which belongs to the Akum, for it is written: Return to thy brethren what is lost[Deuteronomy 22:3]. For he who returns lost property [to non-Jews] sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if...by so doing Christians will praise the Jews and look upon them as honorable people. (Choschen Ham., 266,1)
Yahushua taught: “All things whatsoever ye would that men should do to you, do ye even so to them: for this is the law and the prophets.” (Matthew 7:12, KJV) But the Jews skirt around this because, according to the Talmud, only Jews are accounted men. Since gentiles are non-human animals, it does not break the law of Yahuwah to keep or otherwise steal anything that belongs to gentiles. “For it is written,” the Talmud says, “And ye my flock, the flock of my pastures, are men; only ye are designated ‘men.’” (Baba Mezi’a 114b)27

The Talmud does three things:

1) It provides Jews with the justification and permission to commit their many heinous crimes against humanity.

2) It filters the truths contained in the Torah through Pharasaic traditions.

3) It blasphemes Yahushua in the grossest ways imaginable.

The Talmud gives permission to sin

The traditions of the Pharisees, as codified in the Talmud, are the justification used by the crypto-Jews to perpetrate all manner of evil. Further, it actually gives them tacit permission to commit crimes against gentiles. Christians, in particular, should be exterminated.

Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians and do so without mercy…

A Jew is commanded to harm Christians wherever he can, both indirectly by not helping them in any way, and also directly by wrecking their plans and projects; neither must he save a Christian who is in danger of death.28

For the sake of brevity, it is not possible to list all the sins that Jewish tradition, as spelled out in the Talmud, gives permission to the Jews to commit. However, the following brief list, will give an idea.

- Jews can lie to gentiles: “It is permitted to deceive a Goi.” (Babha Kama, 113b)

- Jews can pretend to be Christian in order to deceive: “If a Jew is able to deceive them [idolators] by pretending he is a worshipper of the stars, he may do so.” (Iore Dea, 157,2.Hagah)

- Sick or injured gentiles must not be helped: “The Akum are not to be cured, even for money, unless it would incur their enmity.” (Iore Dea, 158,1)

- Gentiles in danger must not be helped, especially if not helping them results in their death: “Do not have any pity for them…Therefore, if you see an Akum in difficulty or drowning, do not go to his help. And if he is in danger of death, do not save him from death.” (Hilkoth Akum, X,1)

- Jews may lie and even perjure themselves to condemn Christians: “When a Jew and a goi come into court, absolve the Jew, if you can, according to the laws of Israel…If this cannot be done proceed callously against the Goi, as Rabbi Ischmael advises…” (Babha Kama, 113a)

“Here is a reason to kill babies [on the enemy side] even if they have not transgressed the seven Noahide Laws because of the future danger they may present, since it is assumed that they will grow up to be evil like their parents.” (Rabbi Yitzhak Shapira, The Killing of Gentiles in War.)

The very word used to describe gentiles, goim/goyim, is a derogatory word meaning “animal-like.” The law of Yahuwah, as spelled out in the 10 Commandments, governs how every soul should live. But the Jews believe the divine law only applies to them, since only they are human. Thus, the Talmud actually gives them permission to sin. That is why, although the law of Moses spells out a number of capitole crimes including murder, the Talmud changes it. The Talmud states that if a gentile kills a Jew, he must be put to death, but if a Jew kills a gentile, there is no death penalty. (See Tractate Sanhedrin, 57a.)

What a contrast to the Meek and Humble One who said: “Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth But I
The Jews have always valued Jewish lives above that of the "goyim".

A Palestinian father mourns the death of his children killed by Israelis.

"Everyone who sheds the blood of the impious is as acceptable to God as he who offers a sacrifice to God." (alkut Simoni, 245c. n. 772)

"[The Palestinians] would be crushed like grasshoppers ... heads smashed against the boulders and walls." (Israeli Prime Minister, Yitzhak Shamir, New York Times April 1, 1988.)

"[The Palestinians] are beasts walking on two legs." (Israeli Prime Minister Menachem Begin, "Begin and the 'Beasts," New Statesman, June 25, 1982.)

The reality is Jews do not want to share truth with others. First, because if others knew the truth of their teachings, and how their tradition has corrupted the law of Yahuwah, non-Jews would be wise to their corrupt, deceitful dealings. Secondly, they do not want to share even the uncorrupted books of Moses (Torah) with outsiders because they jealously guard salvation as something belonging only to them.
The Talmud states: “A heathen who studies the Torah deserves death, for it is written, Moses commanded us a law for an inheritance: it is our inheritance, not theirs.”

Those looking to the Jews for spiritual truth will never find it. First because they do not possess it, filtering everything through their “traditions of the elders”; secondly, what they do have they are very careful to hide from non-Jews. It has always been this way, for the Jews have always been actuated by the spirit of Satan. Yahushua recognized this when He said: “But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.” (Matthew 23:13, KJV)

The Talmud states: “If a heathen smites a Jew, he is worthy of death, ...He who smites an Israelite on the jaw, is as though he had thus assaulted the Divine Presence; for it is written, one who smiteth man [i.e. an Israelite] attacketh the Holy One.” (Sanhedrin, 58b)

The Talmud blasphemes Yahushua

Worse than anything else the Talmud claims or teaches, however, is the blasphemy in how it refers to Yahushua. According to the Talmud, Yahushua was a bastard. His mother cheated on her husband, whoring herself with a man variously named Pandora/Panthera/Pantera/Pantiri. There is a reason for emphasizing Yahushua as being illegitimate: “One of the restrictions of his status implies that he cannot enter a legitimate marriage with a Jewish woman and father Jewish children—let alone found a congregation that claims to be the ‘new Israel.”

The name of Yahushua’s supposed father is itself an excellent example of the subtle, hidden ways the Jews mock and blaspheme the Son of Yah in the Talmud:

What we encounter here is the well-known rabbinic practice of mocking pagan or Christian holy names by changing them pejoratively, such as penei elah (“face of god”) that becomes penei kelev (“face of the dog”). But the punch line in our case is the reverse reading of the consonants within the Greek word—not by coincidence following the magical(!) practice of reading a word backwards...by changing parthenos to panteros, the rabbis do not just practice a case of “cacophemism” rather, they utter a magical spell, or an exorcism, and “transform” Jesus’ birth from a virgin to that of a common Roman soldier named Panther. Maier’s major argument against this derivation (who could understand such a sophisticated pun?) grossly underestimates the rabbis and their readers.

All that we know from rabbinic as well as from pagan sources points to the fact that the unkind countermessage to the New Testament—Miriam/Mary was a whore and her son a bastard—was the Jewish answer to the Christian propaganda of the divine origin of Jesus.

Nor do the blasphemies stop there.

The Talmud teaches that Jesus Christ was illegitimate and was conceived during menstruation; that he had the soul of Esau; that he was a fool, a conjurer, a seducer; that he was crucified, buried in hell and set up as an idol ever since by his followers.

The Talmud refers to Yahushua in a variety of ways and under an assortment of insulting names, names that are clearly understood by the Jews as referring to Yahushua.

[This] is nothing new in Jewish writings and is done on purpose so that Christians may not easily detect their trickery...There are Jews who themselves confess to this. For instance, in the book Sepher Juchasin (9b): “The Rabbis have always deceived the Nazarenes [Christians] by saying that the Jesus of whom the Talmud speaks is not the Jesus Christ of the Christians. They permit themselves this falsehood for the sake of peace”....

It seems as though some spirit from the deep entered the rabbis, inspiring their imaginations to ever new depths of depravity for, according to them, Yahushua is even now in hell, being punished in boiling excrement:

He [Onqelos] went and brought up Jesus the Nazarene (Yeshu hanotzri)/the sinners of Israel (poshe6e Yisrael) out of his/their grave(s) by necromancy and asked him/them: Who is important in that world?
He/they [Jesus/the sinners of Israel] answered: Israel!

[Onqelos:] What then about joining them?

[Jesus/the sinners of Israel] answered: Seek their welfare, seek not their harm. Whoever touches them is as though he touches the apple of his [God’s] eye!

[Onqelos:] What is your punishment?

[Jesus/the sinners of Israel] answered: With boiling excrement. For the master has said: Whoever mocks the words of the Sages is punished with boiling excrement.34

Father Yahuwah loved the world with such an infinite, unsurpassing love, that He willingly sacrificed His only child, His only begotten Son. He gave Him to the fallen race, sending Him to the lowest of the low, so that all who believe on Him might not perish, but have everlasting life. Whether this priceless gift is accepted or rejected, is up to the individual, but at the very least, it should be viewed with the respect such selfless love, such self-sacrifice deserves. The Jews, however, have nothing but the grossest blasphemies, the lowest insinuations and grossest insults to heap on the Saviour.

Synagogue of Satan

The Jew’s hand was ever, like Ishmael’s, against every man but those belonging to the Synagogue. His fierce passions and fiendish cunning, combined with abnormal powers of intellect, with intense vitality, and with a persistency of purpose which the world has rarely seen, and whetted moreover by a keen thirst for blood engendered by defeat and subjection, combined to make him the deadly enemy of all mankind, whilst his unsocial and iniquitous Oral Law [the Talmud] contributed to inflame his wild lust of self, and to justify the crimes suggested by spite and superstition.35

The belief that the Jews today are Yahuwah’s special, chosen people, and that the nation of Israel has special standing with Heaven does not come from Scripture. It is a new doctrine, originating with the crypto-Jews themselves. They know the gentiles’ values and honor. By getting gentiles to believe the Jews are still Yah’s chosen people, they can convince the “cattle” to send them tithes and offerings. The rallying cry, “Stand With Israel” allows the Israeli military to get away with the most atrocious crimes against humanity and the rest of the world looks on in silence.
This belief in and widespread support for the Jews as Yahuwah’s chosen people really only gained prominence in the 20th century. Earlier Christians did not labor under “political correct” muzzles. They knew what the Jews were, and were not afraid to denounce them for the evil that flowed from their teachings and traditions. In his last sermon before his death, Martin Luther declared: “They are our public enemies and incessantly blaspheme our Lord Jesus Christ, they call our Blessed Virgin Mary a harlot and her Holy Son a bastard and to us they give the epithet of changelings and abortions.”36 Luther actually wrote a book in which he clearly linked the teachings of the Jews to the Talmud, saying: “They should be deprived of their prayer-books and Talmuds in which such idolatry, lies, cursing and blasphemies are taught.”37

John Chrysostum, an early Christian father (CE 344-407), was even more blunt in his strongly worded denunciation of the Jews:

The synagogue is worse than a whorehouse. It is the den of scoundrels and the repair of wild beasts…the temple of demons devoted to idolatrous cults…the refuge of debauchees, and the cavern of devils. It is a criminal assembly of Jews…a place of meeting for assassins of Christ…a den of thieves, a dwelling of iniquity, the refuge of devils, a gulf and an abyss of perdition. I would say the same things about their souls.

In Revelation 3, the Church of Philadelphia receives a very interesting promise: “Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.” (Revelation 3:9, KJV)

“We Jews never possessed any religious institution which developed out of our own consciousness, for we lack any kind of idealism. This means that a belief in life beyond this terrestrial existence is foreign to us. As a matter of fact, the Talmud does not lay down principles with which to prepare the individual for a life to come, but furnishes only rules for a sumptuous life in this world. It is a collection of instructions for maintaining the Jewish race and regulating intercourse between us and the goy. Our teachings are not concerned with moral problems, but rather with how to GET.” (Harold Rosenthal)

The very essence of Judaism is based on Talmudism and is diametrically opposed to the law of Yahuwah which states: “Love Yahuwah your Eloah with all your heart, mind, and soul, and your neighbor as yourself!” (See Matthew 22:37-39.)

Jewish Talmudism, in addition to its gross blasphemies against the Son of Yah, teaches the very opposite: to take advantage of others, to hold them in contempt as animals beneath you. These are the attributes of the spirit of Satan and they are fostered and taught as principles all throughout Judaism.

One cannot separate Pharasaism from Judaism, because Judaism is Pharasaism—the same Pharasaism that Yahushua fought against while on earth. Dr. David Goldstein, a Jew that converted to Catholicism, used to say “Jesus was a Jew.” Benjamin Freedman, took exception to this. In 1954, he wrote a letter to Goldstein, explaining the history of the Khazar Jewish crypto-Jews. In 1954, he wrote a letter to Goldstein, explaining the history of the Khazar Jewish crypto-Jews.

To allege that “Jesus was a Jew” in the sense that during His lifetime Jesus professed and practiced the form of religious worship known and practiced under the modern name of “Judaism” is false and fiction of the most blasphemous nature. If to be a so-called or self-styled “Jew” then or now the practice of “Judaism” was a requirement then Jesus certainly was not a so-called “Jew”. Jesus abhorred and denounced the form of religious worship practiced in Judea in His lifetime and which is known and practiced today under its new name “Judaism”. That religious belief was then known as “Pharisaism”.

No child of Yahuwah can, in good conscience, send monies to support the agendas of these evil, power-mad entities. They cannot defend them, vote to support their murderous policies, or in any way look to them for spiritual guidance. The synagogue of Satan is the “seed of the serpent.” They do not have any spiritual light. Rather, having rejected the Light of the World, their “house is left unto them desolate.” They have no light. “If therefore the light that is in thee be darkness, how great is that darkness!” (Matthew 6:23, KJV)

Pilfering the Promises

Vital to the crypto-Jews claims to superior importance in the sight of Yahuwah, is the claim that, as the so-called “seed of Abraham,” they are
the inheritors of the promises made to Abraham. Sadly, many Christians have trusted the claims of these so-called “chosen people of Yah” and accepted them at face value.

The truth, however, is very startling! The promises given to Abraham are available to all...but only through Yahushua! They do not come through some real or imagined connection to Abraham as the crypto-Jews would have everyone think. The promises to Abraham come to all through Christ Yahushua.

Know ye therefore that they which are of faith, the same are the children of Abraham. And the scripture, foreseeing that Yahuwah would justify the heathen through faith, preached before the gospel unto Abraham, saying, In thee shall all nations be blessed. So then they which be of faith are blessed with [not through] faithful Abraham. That the blessing of Abraham might come on the Gentiles through Christ Yahushua; that we might receive the promise of the Spirit through faith. Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ (Galatians 3:7-9, 14,16, KJV)

The “seed of Abraham” is Yahushua. Period. The seed of Abraham is not the Jews. It is not believers. The seed of Abraham is Yahushua through Whom blessings flow to all who believe in the promises given to Abraham and his seed, Yahushua, and accept them by faith.

Seed of Abraham

People who rely on legalism for a sense of security, always want more, something new, something harder to do, to assure themselves of their level of devotion. They will then look for the spiritual community that has the highest standards of performance, the most precisely spelled-out requirements. This is easily found in Judaism.

The sincere Christian looks to Yahushua’s life as the ultimate example of righteousness and it is but a short leap to look also to the practices of the Jews. The Saviour, however, was too liberal for the Pharisees. He found fault with the religious practices of the day. No true follower of Yahushua will venerate the Jews, seeking to copy their practices. There is no spiritual light to be gained from this group who is behind some of the worst atrocities of the last 2,000 years and who were rejected of Heaven for their stubborn refusal to accept the Saviour of mankind.

Everyone who believes in Yahushua as the divine Seed of Abraham, must take a stance against Judaism. Were there no other reason, it is enough that the Talmud blasphemes against the Saviour. But more than that, the very essence of Judaism is based on Talmudism and is diametrically opposed to the law of Yahuwah which states: Love Yahuwah your Eloah with all your heart, mind, and soul, and your neighbor as yourself. (See Matthew 22:37-39)

Do not align yourself with the seed of the serpent. “Can two walk together, except they be agreed?” (Amos 3:3, KJV)

Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

And what agreement hath the temple of Yahuwah with idols? for ye are the temple of the living Eloah; as Yahuwah hath said, I will dwell in them, and walk in them; and I will be their Eloah, and they shall be My people.

Wherefore come out from among them, and be ye separate, saith Yahuwah, and touch not the unclean thing; and I will receive you. (2 Corinthians 6:14-17, KJV)

The woes to the Pharisees are said to all who embrace the traditions of the rabbinical Jews, because the rabbinical Jews are Pharisees.

Woe to you, scribes and Pharisees, hypocrites! For you cleanse the outside of the cup and dish, but inside they are full of extortion and self-indulgence. Blind Pharisee, first cleanse the inside of the cup and dish, that the outside of them may be clean also. (Matthew 23:25-26, NKJV)

WLC exhorts you to “Beware and take heed of the leaven of the Pharisees...[which is] the doctrine of the Pharisees.” (See Matthew 16:5-12, KJV.)
Seek Yahuwah’s face for yourself. Do not accept any “truth” filtered through the corrupt channels of Judaism. Yahuwah has pledged the very honor of His eternal throne that He will supply every need, including the need for greater spiritual insight.

Turn to Him and Him alone. And He will supply all your needs.
